"We appreciate the growing partnerships we share with Lee County Tax Collector Cathy Curtis," said Division of Driver Licenses Director Sandra Lambert. "Her willingness to assist customers with excellent service will ensure motorists are provided the best possible service."

The Department encourages customers to skip the trip and conduct their driver license business online, where various services are available. Customers can renew driver licenses, identification cards and vehicle tags, and change an address on their license or identification card from the comfort of their own home or at work by logging on to [www.GoRenew.com](http://www.GoRenew.com).

Florida now requires additional documents to obtain a new or renewed driver license or identification card. Prepare for your next visit by bringing documents to show proof of 1) identification, 2) Social Security number and 3) residential address (two items). Customers who have legally changed their names must bring additional documentation. To find out exactly what you need to bring with you, visit [www.GatherGoGet.com](http://www.GatherGoGet.com).

The Florida Department of Highway Safety and Motor Vehicles provides highway safety and security through excellence in service, education and enforcement.
